

## FUNDRAISING

During 2015 Betty Dunne, her family and friends at the Black Horse Pub held several fundraising events to raise money for the North West Support Group.

In August they held a family fund day raffles, tombola, cake and book stalls were the order of the day it was very warm sunny and everyone had a fantastic time.

On the 5th December during an evening of entertainment hosted by the Bev and Jerry (Landlord & Landlady) at the Black Horse and vocals by Marcus Andrews, he has a wonderful voice just ask Betty, John and I were presented with a cheque for £1,040.00.

Thank you to all the regulars at the Black Horse who contributed to and worked so hard to raise such a fantastic amount. The North West Support Group can pay for meeting rooms for several years.

Betty was the driving force behind the fundraising.

**Thank you Betty.**
